Re: 06-11-SLR

Dear Justice.

Please Find enclosed Amendment
of Caption Re the above case;

And a letter to Warden and Commissary
Re writing supplies for the month.
(± an indigent) I have sent copies
of this letter to Warden and Commissary
However there is no response, as usual,
from officials when one writes to them.
This is why there are costly suits.

Please excuse the paper ± am writing
on. And if there is anything you could
do to ensure writing supplies as prescribed
by law, it would be helpful.

Leonard Raylis
